

SDL's security science specialist, Dood, schools Kevin in social engineering mind tricks.

HEY BRO, THINK YOU'RE PRETTY HOT STUFF, EH?

WHAT ARE YOU? SOME HACKER WANNABE?

LET'S JUST SAY THAT IF YOU WANT TO BEAT THE BAD GUYS...

...YOU GOT TO THINK LIKE THE BAD GUYS. EXHIBIT A- THIS CLOWN.

THE SOCIAL ENGINEER. I'VE HAD THE DISPLEASURE OF HIS ACQUAINTANCE.

RIGHT. BUT HE'S NOT TECHNICAL, YOU KNOW WHAT I'M SAYIN'? HE GETS IN YOUR HEAD.

IT'S NOT ENOUGH TO OUTSMART HIM. YOU GOT TO BAKE THE SMARTS INTO YOUR CODE.

HEURISTICS. BEST PRACTICES. USER TRAINING. THAT KIND OF THING?

I HEAR THAT!

I THINK YOU'RE SOLID, BRO. TIME TO EARN YOUR STRIPES.
