

The Social Engineer has captured Kevin's colleagues and is using them to control the application.

WITH YOUR CO-WORKERS' ACCESS CODES, IT IS A SIMPLE MATTER TO COLLECT YOUR CUSTOMERS' PRIVATE DATA.

BUT... HOW?

...WITH A SPOOFED IP ADDRESS TO FOOL OUR MAIL SERVER! OF COURSE.

HAH! I SIMPLY IMPERSONATED YOUR SUPERVISOR IN AN E-MAIL.

BUT I'LL BET YOU DIDN'T COUNT ON THIS, GUYS... NOW!

WHO'S SPOOFING WHO NOW?

WHAT? NO!

TAKE THAT, CREEP!

YEAH, BEAT IT!

AIEEEEE!

THAT SDL PROCESS SURE PAID OFF.

YEAH ALL THAT EXTRA AUTHENTICATION WE BUILT IN TO FOIL THEIR TRICKS

SO I DID OKAY?

YOU WERE HEROIC!
