Certification Roadmap  
with an emphasis on MBS

MCT

**Retail Management, Microsoft Business Network, Microsoft Business Portal, C5, and additional MBS Products not exclusively outlined here.**  
\* Exams recommended but not required, must meet at minimum one MBS Track within the MCT Program (MBS- Developer, MBS- Installation & Configuration, MBS Applications Professional) designation.

As new Microsoft MCP exams are introduced, their equivalents will be considered as a fulfillment of the Master criteria. For those individuals renewing their Microsoft Certified System Engineer status, the following exam would apply; Microsoft Windows 2000 Accelerated Exam (Microsoft Exam 70-240).

\*\* As new Microsoft MCP exams are introduced, their equivalents will be considered as fulfillment of the Master criteria. The equivalent Windows 2000 exams would also apply.

Note: Grandfathered exams do not qualify for fulfilling Master requirements  
ALL exams must be on current version. Versions cannot be mixed to meet master levels
