WHAT IS COVERED – GENERAL

During the SERVICE CONTRACT TERM described above, in the event of a covered Claim at Our or the Insurer's sole discretion, this Contract provides labor and/or parts required to Repair the covered Product, or Replacement of the covered Product in lieu of Repair ("**Coverage**").

Coverage described in this Contract does not replace or provide duplicative benefits during any active manufacturer's warranty period. During such period, anything covered under that warranty is the sole responsibility of the manufacturer and will not be considered under this Contract; regardless of the manufacturer's ability to fulfill its obligations.

For Breakdown Claims for *Surface, Xbox or Microsoft Band*, We will Repair or Replace Your Product pursuant to the provisions of this Contract. For Breakdown Claims for *Laptop, Desktop, Tablet, and Smartphone Plans* or Accidental Damage Claims, We are authorised to assess Accidental Damage claims and we will report to the Insurer and authorise repairs. If We, or the Insurer decide to Replace Your Product, technological advances may result in a Replacement with a lower selling price than the previous covered Product, and no reimbursement based on any Replacement item cost difference will be provided. Any and all parts or units Replaced under this Contract become Our or the Insurer's property in their entirety. *When a Replacement is applicable and provided in lieu of Repair, any accessories, attachments and/or peripherals that are integrated with the Product, but that were not provided and included by the manufacturer in the packaging and with the original sale of the covered Product, will NOT be included with such Replacement.*
