

# Qualified Multitenant Hosters (QMTH) Program

## Authorized Qualified Multitenant Hosters (QMTH) Program Partners

The QMTH Program is available worldwide as of August 1<sup>st</sup>, 2017. Customers will be able to choose either [Microsoft Azure](#) or one or more of the qualified service providers listed below to utilize the benefits of the QMTH Program for Office 365 ProPlus (including E3 and E5), Project Online Professional and Visio Pro for Office 365 in shared computer activation (SCA) mode as well as qualifying Windows 10 products. On the following pages will be a current list of qualified cloud service providers who are Authorized QMTH Program Partners. Please note that a qualified cloud service provider that is an Authorized QMTH Program Partner is not limited to servicing customers in the partner's given country and may also offer services in other countries and regions. Click on the partner's name to learn more about their third-party multitenant offering.

For more information, contact your primary Microsoft point-of-contact.
