# SharePoint 2010 Certification Paths

Microsoft SharePoint 2010 makes it easier for people to work together. Using SharePoint 2010, your people can set up Web sites to share information with others, manage documents from start to finish, and publish reports to help everyone make better decisions. There has never been a better time to upgrade your IT skills. Whether you're a seasoned IT professional or just getting started in a new career, obtaining your Microsoft® Certification now can help you differentiate yourself in the IT marketplace and may help you get a new job, excel in your current job or advance your career. **Invest in your career with Microsoft Certification.**

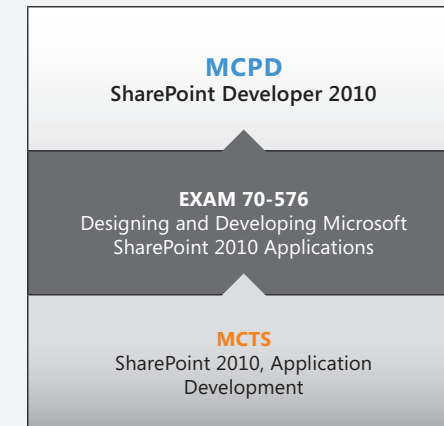

## Microsoft Certification makes a difference:

- 55% of hiring managers think certification is a criterion for hiring.<sup>1</sup>
- 75% of managers believe that certification is important to team performance.<sup>2</sup>
