

Microsoft Azure StorSimple 8000 Series Support

Comprehensive, enterprise class Customer Service and Support for Microsoft Azure StorSimple

Microsoft Azure StorSimple is a Hybrid Cloud Storage solution, providing customers with a single point of support for their solution, spanning the on-premises datacenter and the cloud. Round the clock support is provided in English with targeted local language support for Japan, Taiwan, China, Korea, and Germany (Premier only) during local business hours.

StorSimple Support Offerings

StorSimple provides two levels of support to best meet the requirements of the customer: Standard and Premier. Both offerings are available with the StorSimple 8100 or 8600 Series solution. As part of both offerings, customers have access to a comprehensive set of online resources, including:

- Product documentation for deployments, hardware, and administrator guides
- Best practice guides
- High-level debugging
- Release specific content
- StorSimple Support Blog (optionally enable notification by email for latest updates.)
