...The press ad that copped over 200 registrants before the event at Crowne Plaza Trinidad.

System Center and Forefront the latest suite of security products being offered by Microsoft, was launched in the local market on Thursday April 19th, 2007 at the Crowne Plaza Hotel.

1. The Event:

- Microsoft West Indies General Manager George Gobin delivered the opening and closing remarks.
- The Security experts; Dwayne Fernandez (Microsoft), Silverio Saladin (Techknowlogic) and Satish Ramadhar (Infotech Caribbean Ltd) addressed the attendees during the session.

2. The Partners:

- Infotech Caribbean Limited and Caribbean Tech Trendz, both Microsoft Gold Partners were set up with booths in the Partner area.
- Several other Microsoft Partners were in attendance at the event.
