

Shared Computer Activation (SCA) for Office 365 ProPlus, Project Online Professional and Visio Pro for Office 365

Authorized Shared Computer Activation (SCA) Partners

Customers can choose either [Microsoft Azure](#) or a qualified cloud partner that is an Authorized SCA Partner to utilize the benefits of Shared Computer Activation for Office 365 ProPlus, Project Online Professional and Visio Pro for Office 365. On the following pages is a current list of qualified cloud partners by country who are authorized to assist customers to deploy SCA in multi-tenant environments. Please note that a qualified cloud partner that is an Authorized SCA Partner is not limited to servicing customers in the partner's given country and may also offer services in other countries and regions.

Please check with [Microsoft Azure](#) or these qualified cloud partners to confirm which services they offer and if they serve your region. If your partner is not currently listed, refer them to the [SCA website](#) to complete the SCA Qualified Cloud Partner Authorization process.

For more information, contact your Microsoft account manager.

Click on one of the links below to see a list of qualified cloud partners that are Authorized SCA Partners for your country. These partners are not limited to servicing customers in the partners' given country and may also offer services in other countries and regions:
