Microsoft Student Verification System - Windows Internet Explorer

https://downloads.channel8.msdn.com/wayf/wayf.asp?returnURL=/auth/userProcessor.asp

Microsoft Student Verification System

8

We verify you as a student by having your school authenticate your student ID credentials. If not your school, then it's whatever student ID provider you choose. In order to do that, we have to start with where you are.

Step 1: Select your continent

Step 2: Select your country  
Select From List

Step 3: Select your school/organization

**Passo 4**

**Escolha o seu continente de origem.**  
**No nosso caso, South America. ☺**

Hello Heloisa

## Microsoft® Expression® Studio

Microsoft® Expression® Studio takes your creative possibilities to a new level. The professional design tools and innovative technologies in Expression Studio give you the flexibility and freedom to bring your vision to reality—whether you are designing standards-based Web sites, rich user experiences on the desktop, or managing digital assets and content. Expression Studio includes the following products:

- [Expression Web](#)
- [Expression Blend](#)
- [Expression Design](#)
- [Expression Media](#)

**Minimum System Requirements**

When you download and save this product to your computer, it will be in the form of an ISO file. The downloadable ISO file must then be placed onto a CD/DVD or mounted using a virtual drive before installation can occur. To get detailed instructions on how to open the ISO file and install this product, [click here](#).
