

The Legion of Malware has exploited a security hole in Kevin's application.

GOTTA FIND SOME WAY TO GET THIS MALWARE OUT OF THE SYSTEM BEFORE IT CORRUPTS THE ENTIRE CODE-BASE.

GOTTA PROGRAM MYSELF A TOOL TO GET RID OF THESE INTRUDERS...

THIS SHOULD DO THE TRICK.

OK, YOU MALWARE SCUM! SAY HELLO TO MY LITTLE FRIEND!

WHAT THE???

HAH! YOUR PUNY COUNTERMEASURES ARE NO MATCH FOR US! FINISH THE JOB, MY MINIONS!
