The screenshot shows a SharePoint search interface. On the left, there are filters for 'Duration' (0-5 minutes, 5-20 minutes, 20+ minutes) and 'Created' (a bar chart showing results from 1 year ago to today). The main search results are for 'Green thermal', with tabs for 'Everything', 'People', 'Conversations', 'Videos', and 'Reports'. The results are displayed in a grid of video thumbnails, each with a title and view count. A video player overlay is shown on the right, displaying a thermal image. A callout box points to the video player with the text '影片預覽也OK'. At the bottom right, the Microsoft SharePoint logo is visible.
