

Simplify adoption of Microsoft Azure and other Microsoft cloud solutions with Microsoft Financing

Microsoft Azure and other Microsoft cloud platform solutions offer major benefits for today's businesses – but those looking to migrate may have concerns about budgeting for this new investment.

Microsoft Financing payment solutions support your migration strategy by helping to facilitate your adoption of a cloud platform within a flexible payment structure.

Fund all aspects of your migration

Align payments to budgets, cash flow, and deployment

Acquire and deploy IT in the best way for your business

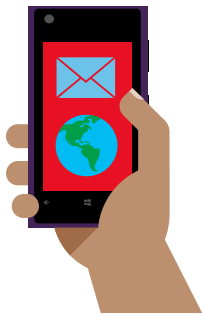

Choose a payment solution to meet your needs

Standardised payments – even monthly, quarterly or semi-annual payments

Ramped payments – start low to match deployment and migration projects
