

Maximise your IT budget with Microsoft Financing

Today's intensely competitive and rapidly changing business environment demands agility and a new level of flexibility to meet evolving IT solution needs.

Microsoft Financing payment solutions facilitate flexible payment options for customers that help address their total IT solution requirements, optimise cash flow, and accelerate deployment.

Benefits

- ▶ **Simplify cloud adoption:** fund all aspects of your solution including software and services.
- ▶ **Innovate on your terms:** structure payments to meet your business requirements; add new seats and adjust subscription amounts as needs change
- ▶ **Maximise ROI:** minimise up-front payments and pay as you deploy your IT solution and realise benefits.

Payment solutions to meet your needs

Standardised: even monthly, quarterly or semi-annual payments.

Deferred: no initial payments for a pre-agreed term.

Ramped: payments start low to match deployment and migration projects.

Customised: align solutions with budget, cash flow, and deployment.
