

Get wide-ranging payment flexibility for your Microsoft licensing and services with Extended Payment Terms (XPT)

XPT adds wide-ranging payment flexibility as an alternative to the standard up-front or annual payment terms, via a simple amendment to Microsoft's licensing and service agreements. Agreements currently supported include the EA, MPSA, and Premier Support. Payment plans include monthly, quarterly, semi-annual or widely customised structures including ramped and skip options available to fit virtually any customer's needs.

Focus on the IT solution you need despite budgetary constraints

Implement easily via a simple amendment to your licensing or services agreement

Improve ROI by aligning payments to deployment

The process is simple!

1	Get a quote to fit your budget	2	Submit a credit application
3	Sign the XPT amendment	4	Start making payments

Extended Payment Terms

Frequently Asked Questions

Q: What is Extended Payment Terms?

A: XPT adds wide-ranging payment flexibility as an alternative to the standard up-front or annual payment terms, via a simple amendment to Microsoft's licensing and service agreements. Agreements currently supported include the EA, MPSA, and Premier Support. Payment plans include monthly, quarterly, semi-annual or widely customised structures including ramped and skip options available to fit virtually any customers' needs.

Q: What are the benefits of Extended Payment Terms?

A:

- ▶ **Payment aligned** to available budgets and cash flow
- ▶ **Expense aligned** to deployment Return on Investment or service utilisation
- ▶ **Simplify transition to the Cloud** with a complete solution
- ▶ **Fixed payments** for license/service duration
- ▶ **Ease of implementation** via a simple amendment to the license/services agreement

Q: What is the minimum products and services order amount to be eligible for Extended Payment Terms?

A: Minimum amounts vary by country, but typically £3,000 or local currency equivalent.

Q: Who is eligible for Extended Payment Terms?

A: Credit-qualified customers under the supported agreement types are eligible for this program.

Q: Can I add Extended Payment Terms to subsequent orders?

A: Yes. Subject to credit approval, you may continue to apply Extended Payment Terms to subsequent products or services orders for the remaining duration of your Microsoft licensing and/or services agreement.

Q: What are the credit review guidelines for Extended Payment Terms?

A: Guidelines are industry standard for commercial term-credit requiring a review of 2 or 3 years of financial statements.

Q: Are there any additional fees when using Extended Payment Terms?

A: Yes. You will pay an uplift to your licensing or service fees for the convenience of spreading your payments over time.
