- d) Restrict and to object the processing of **Your** data. However, this right only applies in certain circumstances. Where **We** suspend **Our** use of **Your** personal information, **We** will still be permitted to store **Your** personal information, but any other use of this information while **Our** use is suspended will require **Your** consent, subject to certain exemptions.
- e) Ask **Us** to provide **Your** personal data to **You** in a structured, commonly used, machine-readable format, or **You** can ask to have it "ported" directly to another data controller. However, this right only applies in certain circumstances.
- f) Not be subject to a decision which is based solely on automated processing (without human involvement) where that decision produces a legal effect or otherwise significantly affects **You**. However, this right only applies in certain circumstances.
- g) Withdraw **Your** consent to process at any time where processing is based on **Your** consent, without affecting the lawfulness of processing based on consent before its withdrawal.
- h) Object to the processing of **Your** personal data for direct marketing purposes at any time.
- i) Lodge a complaint with the local data protection authority.
