NANO MAN

SERVER OF THE REALM

2

THE CLOUD—MORE MAGNIFICENT UP CLOSE THAN I COULD HAVE IMAGINED FROM AFAR...

IN DATACENTROPOLIS, WE DREAMED OF ATTAINING SAFE PASSAGE TO THE UTOPIA. THAT DREAM HAS COME TRUE. THE TESTS OF THE FIVE KEEPERS OF THE CLOUD HAVE BEEN PASSED, THANKS TO CONTAINER AND NANO-MAN

—HE OF STUPENDOUS AGILITY...

KEEPERS, SHMEEPERS, CONNIE, I HEARD THE CLOUD IS REAL NICE THIS TIME OF YEAR.

...AND AN EQUALLY SWIFT TONGUE...

AWAY WE GO!

YOU TOO, BIG GUY.

OOOOOOH...

WHAT'S THIS?

MEANWHILE, IN THE REALM OF THE CREATORS...

LOOKS LIKE OUR NANO SERVER DEPLOYMENT WENT OFF WITHOUT A HITCH! THIS IS A BIG STEP IN GETTING OUR COMPANY TO THE CLOUD.

AREN'T YOU EXCITED THAT YOU DON'T HAVE TO SIT IN FRONT OF A SERVER AGAIN?

YOU KNOW IT.

BUT WE'VE GOT SOME NEW CHALLENGES TO TACKLE...

...LIKE SHADOW I.T.

CLOUD is THIS WAY

HERE

BEWARE DANGER

ENTER Cloud

we take u there!

SHINY THINGS, SMILING GREMLINS OF QUESTIONABLE INTEGRITY. I'M SOLD.

NO. THIS IS NOT THE WAY...

WE MUST ENSURE SAFE PASSAGE TO THE CLOUD FOR ALL DATACENTROPOLITANS.

THESE PORTALS ARE PERILOUS...

...THEY DOTH NOT HAVE PROTECTION OF THE CREATORS...

NOW DAVID, YOU KNOW YOU CAN'T SAVE COMPANY DATA TO YOUR PERSONAL CLOUD STORAGE...

THAT GOES FOR YOU TOO, LLEYTON!

...AND AS ONE OF OURS ENTERS THEIR REALM, ONE OF THEIRS TAKES ITS PLACE.

WHO'S THIS PIPSQUEAK?

AND THAT'S COMING FROM ME!

HE'S KINDA CUTE.

C'MERE YA LIL' MONSTER...

HEY I'M NO CHEW TOY!

BUT GOOD THING I'M SMALL AND FAST...

I GET THE APPEAL OF SHADOW I.T.

WE'VE JUST GOT TO OFFER A BETTER OPTION.

THAT'S WHAT *POWERSHELL* DOES. ONCE WE AUTOMATE OUR PROCESSES, DATA WILL MOVE BETWEEN ON-PREMISES AND THE CLOUD SAFELY.

ALL IT TAKES IS A FEW LINES OF CODE...

...AND WE'VE GOT OUR CONNECTOR OF THE HYBRID CLOUD.

UGH! MORE OF THESE RUNTS?

WE MUST DETER OUR PEOPLE FROM USING THE PORTALS!

FOR MANY DULL PAINS CREATE A LARGE HEADACHE...

YOU HAVE NO IDEA HOW BIG YOUR PROBLEM IS.

I DO.

THE NAME'S *POWERSHELL*.

THE LEGENDS ARE TRUE*! THE POWERFUL SHELL THAT WILL ENSURE SAFE PASSAGE TO THE CLOUD!

BUT HOW?

THAT'S A HECK OF AN INTRO! PUTS MINE TO SHAME, EH?

I'VE LONG BATTLED ***SHADOW I.T.***, AND HAVE BEEN MONITORING YOUR SITUATION FROM MY ***COMMAND CENTER***. YOU NEED MY HELP.

OUR BITEY LITTLE FRIENDS COULD LEARN TO MIND THEIR MANNERS! BUT OTHER THAN THAT...

=GULP=

...THE MORE HEROES, THE MERRIER.

*SEE NANO-MAN #1 – ED.

HOW DO WE STOP THAT THING?

I'VE LEARNED THE WISDOM OF THOSE BEFORE US—AND UNLOCKED THE TOOLS THAT CAN DEFEAT SHADOW I.T.

I AM ENTRUSTED WITH THE SCROLLS OF MODERNIZATION, ORCHESTRATION, NAVIGATION, AUTOMATION, AND DEMOCRATIZATION, OR ***MONAD***.

I WILL RETURN TO MY COMMAND CENTER, WHERE I CAN MONITOR ALL. I WILL USE THE SCRIPTS TO CREATE SAFE PASSAGE WHILE YOU RETRIEVE WAYWARD TRAVELERS FROM THE PORTALS.

HURRY! THERE IS NOT A MOMENT TO LOSE.

BY THE TIMELESS RUNES OF *MONAD*...

...I MONITOR THE NEFARIOUS ACTIVITIES OF SHADOW I.T....

...CONNECT HEROES OF ALL KINDS...

...AND AUTOMATE PASSAGE BETWEEN DATACENTROPOLIS AND THE CLOUD...

HE SHOOTS, HE SCORES!

...FOR THOSE WHO DON'T AUTOMATE ARE DOOMED TO REPEAT THE SAME BATTLES.

BYE GUYS! DON'T LET THE PORTAL HIT YOU ON YOUR WAY OUT!

THE TRANSPORT...IT'S MAGNIFICENT...

NOT A SOUL DEIGNS TO USE THE SHADOW I.T. PORTALS.

SHADOW I.T. WILL BE BACK, AND THERE WILL BE OTHER THREATS TO DATACENTROPOLIS AND THE CLOUD.

AND WHEN THOSE THREATS ARISE, I WILL BE WATCHING, AND READY TO ASSIST.

COUNT ME AS YOUR ALLY, YOU...

...HEROES OF THE CLOUD.
