Microsoft Dynamics Marketing Translation Guide
Last Updated December 2014

Microsoft Dynamics Marketing is translated and supported by Microsoft and made generally available in the countries/regions and languages listed in the product availability table below. Microsoft Dynamics Marketing is available in 12 languages: Danish, Dutch, English, Finnish, French, German, Italian, Japanese, Portuguese (Brazil), Russian, Spanish and Swedish ("12 Core").

Languages
Translation is the process of adapting software or documentation to meet language requirements for a particular country/region. For any given language, Microsoft may translate some, all or none of the user interface (UI) and documentation.
