

MICROSOFT SOFTWARE SUPPLEMENTAL LICENSE TERMS

MICROSOFT DYNAMICS AX 2012 R3

Microsoft Corporation (or based on where you live, one of its affiliates) licenses this supplement to you. If you are licensed to use Microsoft Dynamics AX 2012 R3 software (the "software"), you may use this supplement. You may not use it if you do not have a license for the software. You may use this supplement with each validly licensed copy of the software.

The following license terms describe additional use terms for this supplement. These terms and the license terms for the software apply to your use of the supplement. If there is a conflict, these supplemental license terms apply.

By installing, having installed, attempting to install, or using this supplement, you accept this agreement. If you do not accept this agreement, you may not install, have installed, attempt to install, or use this supplement.

If you comply with these license terms, you have the rights below.

1. ADDITIONAL SOFTWARE.

a. Running Instances of the Additional Software. You may run or otherwise use any number of instances of the additional software listed below in physical or virtual operating system environments on up to 75 point of sale register devices, but only if you obtain a license key that Microsoft provides for such additional software from an appropriate partner. You may use the additional software only with the server software directly, or indirectly through other additional software.

- Microsoft Dynamics Retail Essentials, with Retail Realm

2. ADDITIONAL LICENSING REQUIREMENTS.

a. Additional Software. If you obtain a Microsoft license key for the additional software from an appropriate partner:

- **You will not, and will not permit or authorize any third party to:** (i) use the additional software to enable any retail channel (e.g., online stores, call centers, online marketplaces, mobile point of sale devices, or other retail channels) that Microsoft did not provide with the license key for such additional software; (ii) use the additional software to develop applications for any platform other than the software; or (iii) modify or distribute the additional software. For information about the features and functionality that the additional software includes, see <http://go.microsoft.com/fwlink/?LinkID=261986&clid=0x409>.

3. SUPPORT SERVICES FOR SUPPLEMENT. Microsoft provides support services for this supplement as described at www.support.microsoft.com/common/international.aspx.
