Empower health team collaboration	Care coordination	◆		●	●	●		◆	●		●	●		◆			
	Care collaboration	◆		◆									◆	◆			
	Remote patient monitoring													◆			●
Improve clinical and operational insights	Operational analytics			◆	◆	◆								●		●	◆
	Clinical analytics			◆	◆	◆								●		◆	◆
Data management				◆	◆									◆			◆

\*Azure Services are billed separately based on consumption (including Azure Health Data Services and Azure Health Bot)

\*\*Microsoft 365 F-SKUs and E-SKUs

\*\*\*Azure Health Data Services are a key component to enable interoperability, however, you can enable basic capability functionality without leveraging the Azure Health Data Services.

\*\*\*\*Azure Health Bot Service has a freemium business model; the first 3,000 messages per month are free.
