

## New Customer Details Form – South Africa

Thank you for choosing Microsoft as your Calling Plan service provider. This form must be completed in full and supplied to [Microsoft PSTN Service Desk](#) before phone numbers can be assigned to your business.

Business Name: .....

Business Address: .....

Business Registration Number: .....

Authorized Person Name: .....

In addition to the form, the documents below are also required:

- A Certified Photocopy of the business letterhead
- A Photocopy of the person's identification document, which includes full name, address, and identity number

Microsoft needs to collect this information from our customers as required by local laws.
